GARDEN GAZETTE

NEWSLETTER | AUG 2021

-BUZZWORTHY-

As the Covid-19 Virus, Delta Variant, and other contagious Diseases, like RSV, etc. continue to linger in our Community, we at Little Explorers Academy will continue to use our current protocols and will not be changing anything at this time. Below are a few reminders:

- Staff and Parents approaching the building must be wearing a mask. All adults entering the building will be required to wear a mask.
- Only staff and children may enter the building unless another arrangement has been made or approved.
- Frequent Handwashing & Sanitizing
- Social Distancing as Applicable
- Staying Home when Sick and being Tested before Return
- Every Toy & Common Area Sanitized Multiple Times a Day
- Proper Ventilation

BACK TO SCHOOL MONTH

It's that time of year where summer is winding down and fall is creeping up on us. Time to start thinking about school supplies, new schedules, and lots of paperwork. This is also a great time to build your child's excitement for Little Explorers. Prepare your child for what's coming in the new school year and to build their excitement. Talk about the fun they are going to have, new friends and old ones. Discussing new routines and changes will help ease any nervousness or anxiety for your little one. Another great way to prepare your kids for moving up to a new class is by reading books with a similar theme. We have several listed on the news section of our website you may want to check out.

-REMINDERS-

It's still hot in Texas--please remember to apply sunscreen each morning. You can leave sun screen & bug spray for us to reapply. Water days will continue into this month and come to an end on Aug 11.

SMART AS CAN BEE!

Did you know bees are responsible for more than 1/3 of the food we eat?
