If your responses indicate the use of a language other than English, the school will conduct a language proficiency assessment to determine how well your child communicates in English. This information will be used to determine any appropriate linguistic supports and inform instructional recommendations. If you have questions about the purpose and use of the Home Language Survey, or you would like assistance in completing the form, please contact your school/district personnel. This survey shall be kept in each student's permanent record folder. A copy of this survey shall follow the student while enrolled in any public or open enrolled charter school in Texas.

PARENT AND FAMILY INVOLVEMENT AND COMMUNICATION:

Our staff at Little Explorers Academy has an Open-Door Policy and wants to assist parents in understanding the developmental stages their children experience, enabling them to contribute most effectively to the child's growth and enrichment. Parents are encouraged to visit Little Explorers Academy and observe how their child interacts with the staff and other children. You are welcome at all times to visit the program and participate in all activities of the program. We always want to make sure the visit does not upset the child. If your visit becomes disruptive to your child or the other children, you will be asked to return on another day.

As important events occur in your child's life or in your family, please share these with the teachers. These might include the death of a pet, moving to a new house, the illness of a grandparent, or even the separation of parents.

Informed teachers will be better able to support your child and tell you how your child is responding to these events. Please know that information you share with your child's teacher is confidential and will not be shared with others. We have your consent to e-mail, text, phone and send any other means of communication needed during and after your child's enrollment at LEA.

We value parent ideas and input. We also value our time in the classroom with your child. For this reason, we respectfully ask parents to schedule a private meeting to discuss issues and concerns that may arise in the course of a child's enrollment rather than discussing concerns in the presence of children or other observers in the classroom. We want to give you our undivided attention and this is not possible when the teachers are responsible for children.

The Child Care staff strives to provide many avenues of communication with all parents. Please feel free to utilize voice mail, email and written notes as methods of communicating with your child's teacher. Be aware classroom teachers spend most their time working directly with children. Voice mail and email messages will be returned as promptly as possible.

Email and messaging through the Parent Portal will be used to communicate most school-wide announcements. Please be sure to provide a current email address to your child's teacher as well as the child care Center Director. Changes to policies and/or procedures affecting the child care program will be communicated to parents through email and the Parent Handbook will be updated and made available accordingly. Notify Little Explorers Academy staff if you do not have access to email. A print copy will be provided for you. The child care director is available to discuss the policies and procedures of the program and parents are invited to share their comments or concerns.

Little Explorers Academy

Dear Parent/Guardian:

This child care center offers healthy meals to all enrolled children as part of our participation in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). The CACFP provides reimbursements for healthy meals and snacks served to children enrolled in child care. Please help us comply with the requirements of the CACFP by completing the attached Meal Benefit Income Eligibility Form. In addition, by filling out this form, we will be able to determine if your child(ren) qualifies for free or reduced price meals.

- 1. Do I need to fill out a Meal Benefit Form for each of my children in day care? You may complete and submit one CACFP Meal Benefit Income Eligibility Form for all children enrolled in child care in your household **only** if the children in child care are enrolled in the same center. We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information. Return the completed form to the child care center's director.
- 2. Who can get free meals without providing income information? Children in households getting Supplemental Nutrition Assistance Program (SNAP) (formerly Food Stamps), Temporary Assistance for Needy Families (TANF), or Food Distribution Program on Indian Reservations (FDPIR) can get free meals. Foster children (reference question #8 for more information on foster children) and children enrolled in a Head Start Program (HSP), Early Head Start Program (EHSP), or Even Start Program (ESP) and have not entered kindergarten) are also eligible for free meals. Households with children enrolled in a HSP, EHSP or ESP can provide a certification letter from the program of the child's enrollment and do not need to complete the CACFP Meal Benefit Income Eligibility Form.
- 3. Who can get reduced price meals? Your children can get low cost meals if your household income is within the reduced price limits on the Income Chart, sent with this application. Children in households participating in WIC may be eligible for reduced price meals.
- **4. May I fill out a form if someone in my household is not a U.S. citizen?** Yes. You or your children do not have to be U.S. citizens to qualify for meal benefits offered at the child care center.
- 5. Who should I include as members of my household? You must include everyone in your household (such as grandparents, other relatives, or friends who live with you) who shares income and expenses. You must include yourself and all children who live with you. You also may include foster children who live with you.
- 6. How do I report income information and changes in employment status? The income you report must be the total gross income listed by source for each household member received last month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as a basis to make this projection. If your household's income is equal to or less than the amounts indicated for your household's size on the attached Income Chart, the center will receive a higher level of reimbursement. Once properly approved for free or reduced-price benefits, whether through income or by providing a current SNAP, TANF, FDPIR case number, you will remain eligible for those benefits for 12 months. You should notify us, however, if you or someone in your household becomes unemployed and the loss of income causes your household income to be within the eligibility standards.
- 7. What if my income is not always the same? List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include it, but not if you only get it sometimes.
- 8. What if I have foster children? Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Households may include foster children on the Meal Benefit Form, but are not required to include payments received for the foster child as income. Households wishing to apply for such benefits for foster children can provide the Texas Department of Family and Protective Services Form 2085FC, Placement Authorization Foster Care/Residential Care, to their child's caregiver and do not need to complete the CACFP Meal Benefit Income Eligibility Form.
- **9.** We are in the military; do we include our housing and supplemental allowances as income? If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. Combat Pay, including Deployment Extension Incentive Pay (DEIP) is also excluded and will not be counted as income to the household. All other allowances must be included in your gross income.

10. (*Pricing program only*) Will the information I give be verified? Maybe. We may ask you to send written proof to verify the information you submitted on the form.

What if I disagree with the decision about the information I complete on this form? You can speak to Amy Pringle by telephone at (832) 282-1351.

You may ask for a hearing by calling or writing to Max Taylor, Advance Child Care, Inc.; 523 West First Ave; Corsicana, Texas 75110, (903)872-5231.

In the operation of child feeding programs, no person will be discriminated against because of race, color, national origin, sex, age or disability.

If you have other questions or need help, call Amy Pringle at (832) 282-1351
